## ANNUAL REPORT

West Point School has been established on 25 March , 2001. Dr B.C.Majhi an eminent physician of yesteryears dreamt of establishing a model English Medium school after Shantineketan to cater quality education in tune with the go of the day , to meet the growing needs of new generation .He with the help DR N C Dey , Late Prof Ambika Prasad Mukhopadhyaya , Ex Head of the Dept of Philosophy , Late Shankari Pada Nayak, Ex DI of Schools , Late Sri Shama Pada Chowdhry, veteran journalist and Late Shnatan Khawas , social worker of Kesra village led the foundation of the school. The school provides ample opportunity to each and every student to bring out their hidden potencies in different fields of activities such as Academic, Sports, Arts & Crafts and other co-curricular activities. It is marching ahead with single motto “ EDUCATION FOR ALL”.

Throughout the pandemic, all of us have faced challenges. Each one of us have cultivated in ourselves the ability to adapt to an ever-evolving situation, and to find opportunities for growth amid the many changes. The year 2021-22 had some unknowns for us in light of the pandemic, and we remained understanding and flexible yet determined to move ahead amidst a fluid situation.

It gives me immense pleasure to announce that the students of this school have not only excelled in the field of academics but also brought laurels in the fields of games, sports and Co-curricular Activities. My constant endeavor with the help of dedicated team with determination has facilitated the Vidyalaya in providing conducive academic atmosphere enabling the children to translate their dreams into reality. Committed to quality education, we have achieved excellent results during the last few years. Our students have passed out in CBSE Examinations with flying colors.

### **LATEST ADDITION**

I am extremely happy to announce that the school has been always collaborated with Guidance & Counseling Cell of B.Ed Department of West Point School of Education for the benefit of students, their parents and teachers by providing guidance in their areas of weakness and issues related to the teaching learning activities with the personal problems hampering their individual performance in the field of education.

It is quite aware that students of varying age groups have their own problems affecting their performance in their day to day activities which could be sorted out with the mediation of the teachers and their parents. It is hopeful that the Institution can do a significant role in achieving the result of the project with the cooperation of students, guardians, parents and the teachers.

The school has provided one suggestions box exclusively for inviting views and complaints from the guardians. Expert opinions are also sought from outsiders for the timely redress of grievances and other issues related to them.

### **NEW PROJECT**
