

West Point School

Dear Students and Parents,

As the winter vacation sets in, it's time for our young minds to embark on a journey of joy, learning, and relaxation. While the holiday homework awaits completion, we encourage students to embrace the season with a perfect blend of productivity and leisure.

Remember, this vacation is a time to balance work and play, academic growth and personal development. Cherish each moment, and we look forward to hearing about your wonderful winter adventures when we reunite.

Wishing you all a restful, joyful, and enriching winter vacation!

Warm regards
Team West Point

WEST POINT SCHOOL

HOLIDAY HOME WORK FOR STD. III

INTEGRATED PROJECT

Creating an integrated project about means of transport.

1. Introduction to transport -Begin by introducing the concept of transport and its importance in our daily life. Discuss the various modes of transport such as land , water , air transport.
2. Types of transport – Explore each mode of transport in detail with example.
3. History of transport – Briefly touch upon the history of transport from ancient times to modern day.
4. Importance of transport – Explain why transport is important for trade, travel and connecting people and places.
5. Project work- along with your writing also paste the picture of different modes of transport.
